# JABIRU MASTERPLAN

GUNDJEIHMI ABORIGINAL CORPORATION

# THE MIRARR VISION

The Mirarr people have a vision for Jabiru as:

*“A world leading ecologically sustainable, economically and socially vibrant community where traditional Aboriginal culture, all people and the natural environment flourishes.”*

Mirarr people continue to live on our country as our ancestors have done since time immemorial. Jabiru is built on Mirarr country and we have a responsibility to look after the town and the people who live here. This is the Mirarr Vision for Jabiru. It comes from the traditional people of the land. We ask everyone who comes to Jabiru to follow this Vision as the guiding document for all future development and activity in Jabiru. Implementation of this Masterplan and adherence to our Mirarr Vision is a tangible act of respect for our culture and for our traditional ownership and custody of the land.
